This workshop is sponsored by the American University of Complementary Medicine in Beverly Hills, California. AUCM is a non-profit university that offers a wide breadth of courses in natural medicine. It is the only university in the United States offering Doctorate and PhD courses of study in Ayurveda.

American University of Complementary Medicine
415 N. Camden Drive, #203
Beverly Hills, California 90210

AYURVEDA

: RASAYANA CHIKITSA :
HOLISTIC METHODS OF
ANTI-AGING

UCLA - LOS ANGELES, CA

This workshop will incorporate principles of the over 5,000-year-old Indian medical system called Ayurveda. These powerful rejuvenation therapies are completely natural, and will not only reduce the effects of aging, but greatly enhance the quality of life for those that employ these methods.

Dr Krishna is a leading Ayurvedic authority and has spent his life researching and teaching the secrets of health and well-being that can greatly enhance our inner and outer beauty.

By attending this workshop you will learn how to incorporate simple techniques and remedies that will naturally:

- slow down the aging process
- boost energy
- enhance memory
- promote youthful appearance
- increase your sense of well-being and emotional stability
- enhance male & female vitality

WHEN: Saturday and Sunday, August 1 & 2, 2009

TIME: 9 am - 5 pm, registration begins at 8:30 am

WHERE: 1st Floor Auditorium (13-105)

Center for the Health Sciences

David Geffen Medical School at UCLA

10833 Le Conte Avenue, Los Angeles, CA 90095
